WHAT GOES ON EACH...

## Friday Night?

### BIG GROUP GAMES

We play a fun game most Jr. High nights as a way to build community, have kids get to know each other, have fun together, and expel some energy as the night begins!

### ANNOUNCEMENTS

Each Friday we have announcements so youth can know about things to look forward to at youth, other things that are going on in our church and even other things going on in our city.

### WORSHIP

Worship is the act of showing or telling God how great He is through our actions or words. At Jr. High, we most often express worship through singing, praying or, sometimes, serving. We try to incorporate at least one of these components into every Jr. High night.

### BIBLE TALK

Each week we dive into a topic that is relevant to our world today and we see what the Bible has to say about it. Chandra or another leader will share their thoughts and challenge youth to ask tough questions about what they have learned.

### SMALL GROUPS

We try to end every night in our small groups. They are a place where students have a smaller discussion group that consists of the same friends and leaders every week. Its an important and safe place to ask questions about God, talk about the things they are learning, and pray for each other.

## WHAT'S GOING ON @ JR. HIGH?

Hey there! I am Chandra Styles, the Jr. High Youth Pastor at Forest Grove Community Church. My hope is that this newsletter will help you, as parents of Jr. Highs, to connect to what they are learning at Youth and to find out how YOU can be more involved in it!

If you would like weekly emails about whats going on at Jr. High, what the kids are learning, and how to talk through it with them, please sign up for our Parent Connection email by clicking that

tab on our Jr. High website and filling in the appropriate fields. Emails will be starting up weekly this February!

We have had a great year at Jr. High so far. I thank you for the continued support of your kids as they spend time learning about themselves, each other, and God each Friday night (and sometimes go a little long in small groups at the end of the night as they do it).

Please contact me if you have any questions. I look forward to hearing from you!
